

Mrs. Ashley Hutchinson
6th Grade Reading
Monelison Middle School

Welcome to 6th grade! I will be your child's teacher this year for Reading. I have many activities planned that will challenge your child and help them to grow. As you may know, 6th grade students will take an SOL test in Reading. To help prepare your child for the test, my curriculum will include a wide variety of SOL content based activities. Students will be maintaining a journal that will be used for a variety of different purposes. Monelison Middle School has an extensive collection of literature and we will be reading many novels and other pieces of non-fiction together as a class to strengthen our reading skills and make them even better.

Supplies Needed:

- One 3 or 5 subject notebook
- Pencils, pens, and highlighters
- Colored pencils and glue sticks
